

COURSE OUTLINE

Programme: VTCT Level 3 Certificate in Facial Electrotherapy

Why choose us?

We provide support during and after your course by Qualified, Experienced Tutor/Trainers. Class sizes are 4-8. One to one's are available. This is a VTCT regulated recognised qualification. Easy access from London, Surrey, Essex, Kent, and surrounding areas, with parking (2 minutes away) The train station is only 8 minutes away and on the high speed from London. Hotel accommodation is close by at reasonable rates.

Who is the course for?

The purpose of this qualification is to develop your skills in beauty therapy/skincare professional to a high level of occupational ability, to enable you to perform mobile, home or salon/clinic services.

What are the entry requirements?

We welcome all Learners.

- New and existing therapists.
- We accept learners aged 18 years and over.
- VTCT (ITEC) Level 2 award in Infection Prevention (Covid-19). This can be completed at home but there is a small exam to be completed at the centre (£20). You will also need a good understanding of English to complete your assignments and exam.

What will the course cover?

- The knowledge to maintain safe and effective methods of working when providing facial electrical treatments.
- Understand organisational and legal requirements for providing facial electrical treatments
- Understand how to perform client consultations, treatment planning and preparation
- Understand the contra-indications and contra-actions that affect or restrict facial electrical treatments
- Understand how to provide aftercare and homecare advice
- Skin analysis- treating a range of skin types, conditions and concerns with all skin tones
- The study of dermatology and microbiology
- Understand anatomy and physiology that relates to facial electrical treatments

Live Practical Demonstrations with hands on professional treatment training and guidance in:

- Micro-current (for lifting and face shaping)
- High Frequency (direct and In-direct)
- Vacuum Suction (for lymphatic drainage and extractions of congested skins)
- Electro-Muscle Stimulation (non-surgical face lifting)
- Galvanic (desincrustation and iontophoresis)
- Micro-dermabrasion

Will I be expected to complete work in my own time? (Home-study, practice & case studies)

Structured, supported self-study will be expected from all learners. You will have assignments and case studies to complete as evidence of knowledge & understanding. Theory and all practical will be conducted at the centre to cover the following units:

- **Provide Facial Electrotherapy Treatments**
- **Apply Micro Dermabrasion**
- **Dermatology and Microbiology**
- **Management of Health, Safety and security in the Salon**
- **Client care and communication in beauty related industries**

What do I need, for this course?

SDT will provide your portfolio folder, manual, the equipment and materials at the training venue during the course.

What is the cost of the course? Are there any additional costs?

- £869
- Deposit required £75
- Monthly Payment Options available

Additional costs: There are no additional costs. All fees are inclusive of VAT, VTCT Registration, and exams. **You will need** a black tunic or polo shirt, black trousers and closed flat shoes.

How long is the course?

The course duration is over 9 weeks. We like to ensure that you have plenty of hands-on experience, so if you feel that you require extra practical sessions, this can be arranged for you. You will be required to submit your assignments, attend your practical sessions and your exam day (online multiple choice and practical) to complete the course and gain your qualification.

What are my employment prospects with this qualification?

All of our courses enable you to work from home, mobile, beauty salon, spas or in clinic offering the specialised treatment(s) that you have completed. You can start earning by offering treatments to paying clients as soon as you have obtained your insurance. Facial electrical treatments are hugely in demand to improve the condition of the skin and minimise the effects of ageing. This course will enable you to begin earning well within this lucrative treatment area. This course has been created to give you a VTCT regulated recognised qualification.
