Who is the course for?

The VTCT Level 4 Certificate in Laser and Intense Pulsed Light (IPL) Treatments is an advanced qualification that has been specifically designed for learners wishing to become a qualified Laser Aesthetic Practitioner

What are the entry requirements?

We welcome all Learners.

- If you are new and wishing to change your career, our beginner options will help you gain the knowledge required for this course. Contact our Training Co-ordinator to discuss your entry options. **01474 329164/ 07803 788818 Mon-Fri 9.30am – 5.30pm**
- We accept learners aged 18 and over.
- A level 3 Beauty related qualification or Medical Practitioner such as Doctor or Nurse
- VTCT (ITEC) Level 2 award in Infection Prevention (Covid-19). This can be completed at home but there is a small exam to be completed at the centre.
- You will also need a good understanding of English to complete your assignments.

What will the course cover?

- The health and safety precautions to ensure the safe operation of Laser and IPL
- Managing safe working practices and how to identify and control hazards in a Beauty Salon or Clinic environment
- How to complete a full consultation checking for contra-indications, when to avoid, when to obtain GP's approval and how to complete consent forms and logbooks
- How to prepare your client and perform a Test Patch, this will include giving aftercare and homecare
- The classifications of Laser and IPL as well as the differences
- Understanding how to work with safe parameters for effective results and the time required between treatments
- The Biology of Skin and Hair, as well as the different hair types and hair growth patterns
- Different skin types, skin conditions and how to treat them, including acne, pigmentation, Sun Damage, Rosacea, Fine Line & Wrinkles, Freckles, Age Spots and thread veins
- How to deal with adverse reactions
- Live demonstrations and hands on practical working

Will I be expected to complete work in my own time? (Home-study, practice & case studies)

Structured, supported self-study will be expected from all learners. You will have assignments to complete as evidence of knowledge & understanding. Theory will include the following units:

- **Management of Health, Safety and security in the Salon**
- **Client care and communication in beauty related industries**
- **Laser and Light treatments for Hair Removal**
- **Laser and Light treatments for Skin Rejuvenation**

What do I need, for this course?

Equipment and materials will be provided at the centre. **You will need a folder and 4 dividers** and a white tunic or polo shirt, black/white trousers and closed shoes and access to a laptop or computer.

How long is the course?

The course duration is 8 weeks including home study, although some learners complete their home studies earlier. You will be required to submit your assignments, attend your practical sessions and your practical exam day to complete the course to receive your certification. There is no theory exam. Your knowledge will be reflected in your assignments. You will only need to complete the online Covid 19 Pre-Requisite exam (30 minutes) if you have not already done so.

The Course is scheduled on Sundays 10am -4pm, which will include 1 day theory (Core of Knowledge), what our centre or remotely via teams, followed by your practical sessions for each module. Extra practical or refresher training can be arranged if required.

What are my employment prospects with this qualification?

On completion of this qualification, you will be able to gain employment in the beauty/aesthetic industry facilitating Laser and or, IPL treatments, within a salon, clinic or set up your own practice. Local government licensing officers usually require Practitioners to hold regulated qualifications to gain insurance and licences. This course has been created to give you a VTCT national/international regulated qualification.
