#### Who is the course for?

The VTCT Level 4 Certificate in Laser and Intense Pulsed Light (IPL) Treatments is an advanced qualification that has been specifically designed for learners wishing to become a qualified Laser Aesthetic Practitioner

#### What are the entry requirements?

We welcome all Learners.

- If you are new and wishing to change your career, our beginner options will help you gain the knowledge required for this course. Contact our Training Co-ordinator to discuss your entry options. **01474 329164/ 07803 788818 Monday-Sunday 10am – 5pm**
- We accept learners aged 18 and over.
- A level 3 Beauty related qualification or Medical Practitioner such as Doctor or Nurse
- VTCT (ITEC) Level 2 award in Infection Prevention (Covid-19). This can be completed at home but there is a small exam to be completed at the centre. This is free when you register for your qualification.
- You will also need a good understanding of English to complete your assignments and exam

#### What will the course cover?

- The health and safety precautions to ensure the safe operation or Laser and IPL
- Managing safe working practices and how to identify and control hazards in a Beauty Salon or Clinic environment
- How to complete a full consultation checking for contra-indications, when to avoid to when to get GP's approval and how to complete consent forms and log books
- How to prepare your client and perform a Test Patch, this will include giving aftercare and home-care and much more
- The classifications of Laser and IPL as well as the differences
- Understanding how to work with safe parameters for effective results and the time required between treatments
- The Biology of Skin and Hair, as well as the different hair types and hair growth patterns
- Different skin types, skin conditions and how to treat them, including acne, pigmentation marks, Sun Damage, Rosacea, Fine Line & Wrinkles, Freckles, Age Spots and thread veins
- How to deal with adverse reactions
- Live demonstrations and hands on practical working

### **Will I be expected to complete work in my own time? (Home-study, practice & case studies)**

Structured, supported self-study will be expected from all learners. You will have assignments to complete as evidence of knowledge & understanding. Theory and all practical will be conducted at the centre to cover the following units:

- **Management of Health, Safety and security in the Salon**
- **Client care and communication in beauty related industries**
- **Laser and Light treatments for Hair Removal**
- **Laser and Light treatments for Skin Rejuvenation**

### **What do I need, for this course?**

SDT will provide the equipment and materials at the training venue during the course.

### **What is the cost of the course? Are there any additional costs?**

Special Offer Course fees: (saving £100)

- £1,300 Deposit required (Balance required 7 days prior to the course)
- £1,250 Pay Upfront Option (Save an extra £50)
